

Leather Touch-Up Markers

NOW AVAILABLE INDIVIDUALLY

Permanent water-based leather colour touch-up markers for repairs of small damages on pigmented (P) leathers (not for suede or Nubuck). Excellent to use on furniture, bags, shoes, clothes, in cars, etc. Kit contains 22 different colours as well as Top Finish Flat and Gloss. The Touch Up colours are mixable, easy to apply and dry quickly.

Complete Set (48 Markers)
