

Material safety data sheet

Section 1 Product Identification

Trade name: **GEL LUBE – LIQUID FORMAT**

Usage: Lubricant

Manufacturer-supplier: **DFP Inc**

Address: **3245 JB Deschamps Blvd
Montréal, Qc, H8T 3E4**

Téléphone:514-420-6030

Section 2 WHMIS Classification

NOT CONTROLLED

Classe: UN: Groupe:

Section 3 Hazardous Ingredients

Nom/Name	%	Numéro CAS/CAS number	DL50/LD50	CL50/LC50
NOT KNOWN TO CONTAIN HAZARDOUS INGREDIENTS THIS IS NOT A CONTROLLED PRODUCT				

Section 4 Physical data

Appearance: liquid	Colour: amber	Odour: blend odor	Odour threshold: n.av
Melting point: n.av	Boiling point : >210°F	Freezing point: n.av	
Evaporation rate: n.av	pH 9.5-10.0	Specefic gravity: n.av	Solubility(water): 100%
Coeff. Of water-oil distribution: n.a			
Vapour pressure: n.a		Vapour density: n.a	

Section 5 Fire and explosion

Min.Flammable limits(% volume): n.a	Max .flammable(%volume): n.a	Autoignition temp. : n.a	Flash point: >230°F
---	--	------------------------------------	-------------------------------

Means of extinction: water, water fog, carbon dioxide or dry chemical are all suitable
Special procedures: n.av
Other fire or explosion risks: n.av

Section 6 Reactivity data

Stability: yes, is stable under normal condition
Conditions to avoid: avoid contact with strong acids
Incompability: strong acid
Materials to avoid: strong acids
Reactivity conditions: reacts with acids
Harzadous decomposition products: carbon monoxide and carbon dioxide

LIQUID LUBRICANT

Section 7 Toxicological properties

Skin contact and absorption: prolonged or repeated exposure may cause irritation

Eye contact: moderately irritating to eyes

Inhalation: n/a

Ingestion: low toxicity

Exposure limits: n.av

Sensitization of material: no

Carcinogenicity, reproductive toxicity, teratogenicity, mutagenicity: no

Section 8 Preventive measures

GLOVES: rubber or plastic gloves

EYES: safety glasses

RESPIRATORY: none required

OTHERS: eye bath and safety shower

Engineering controls: n/a

Leak and spill procedures: in accordance with municipal, provincial and federal regulations

Waste disposal: in accordance with municipal, provincial and federal regulations

Storage requirements: n/a

Handling procedures and equipment: n/a

Special shipping information: this product is biodegradable

Section 9 First aid measures

Eyes: flush eyes with abundant water for 15 minutes, if irritation persists call a physician

Skins: wash skin with water

Inhalation: n/a

Ingestion: Give large quantities of water if conscious. If a large amount is swallowed, get medical attention. Do not give anything by mouth to a convulsing or unconscious person

Section 10 Preparation dates MSDS

Abréviations utilisées: N.D.= Not available S.O.= Not applicable

Date de préparation ou révision de ce document par le département technique/preparation date and revision: 422;/32/48

.Les renseignements ci-dessus visent à décrire notre produit dans le cadre des exigences en matière de sécurité et de manipulation seulement. Nous avons tenté de donner des informations aussi intégralement et précisément que possible, toutefois nous déclinons par la présente toute responsabilité pour tout dommage ou blessure, puisque les conditions d'emploi et d'utilisation du produit sont hors de notre contrôle.

L'observation de tous les règlements légaux demeure la responsabilité de l'utilisateur. / The information and opinions expressed herein are those of qualified chemist within . We believe that current information as of the date of this MSDS. Since the use of this information and these opinions and the conditions of use of the product are beyond the control.
