

# DFP NEWS

Your source for important information and specials in the Touch-Up Industry!

Volume One Issue 13 January/February 2006 Published by DFP Inc. ©2006

Back to work after the holidays, January and February may seem like bleak months, but things are actually improving. Daylight is increasing, love is in the air with Valentine's day fast approaching and spring is just around the corner.

So we thought we would improve too. Check out this month's feature product, not just an improvement, but truly a revolution in touch up!

COME VISIT US AT THE

in booth #N7820 in Chicago, IL March 12-14, 2006

For more information about the show, please visit the expo's website at: <http://www.housewares.org>

## ProGrain

The revolution in graining

DFP Inc.'s latest innovation, ProGrain, offers touch up professionals a new and unique tool for grain repair. Pro Grain permits you to restore the grain with ease, regardless of grain colour. The patented, dry, ProGrain appliqué avoids all of the numerous problems associated with traditional and contemporary graining markers, pens, liquid and powdered colours. ProGrain cannot run, bleed, puddle or spill. There is no drying time; application is instant. ProGrain is mistake proof, just erase it! For permanence, simply spray with top coat. Each package contains two appliqué's, which may be used for many repairs. Order yours today!
