The Gilt is Back!

Due to popular demand, we are re-introducing our line of Gilt colouring.

This is a metallic paste that can be applied by hand (finger, really) to give an imitation antique metallic appearance.

This is very popular for picture frames and on antique furniture. The product can, and should, be top coated.

The item numbers are as follows:

- 783200 Antique Gold Gilt
- 783210 Bright Gold Gilt
- 783215 Copper Gilt
- 783220 Silver Gilt
